

CWE STEM Scouts 2018-2019

Come join a FUN and HANDS-ON year long STEM program sponsored by the BSA for boys and girls in grades 3-5. Learn and grow through STEM education! Here's what you need to know....

When: **CWE** will have one STEM Scouts Lab. It will be held after school on Mondays from 2:05-3:30 in Room 301 (STEM Room). STEM Scouts Club runs the entire school year.

What will STEM Scouts do this year? We will learn how to program Edison robots, explore "squishy, gooey" chemistry, investigate "flying, falling" fluid dynamics, and build electric circuits with Little Bits.

What is the cost? \$215 for an entire year if you pay in full to the BSA or by tax credit donation to the Vail School District, or \$240 if you pay the BSA by installment payments of \$75 down, then \$25 a month. \$15 of that amount is for a STEM Scouts t-shirt, which is our club "uniform."

Who can be in STEM Scouts? All students in grades 3-5 at CWE are eligible. STEM Scouts work in teams to complete experiments, and is VERY hands-on. Those students who can be responsible, stay on task, and work well in teams will do best in this program. **Refunds will only be given through the first four labs.**

SPACE IS LIMITED TO 24 STUDENTS PER LAB! Parents who agree to be Weekly Helpers are guaranteed a space in the lab for their child. If interested, please complete and return the attached form to the CWE Front Office by Friday, July 20th.

WE HOPE TO SEE YOU IN STEM SCOUTS THIS YEAR!

STEM Scouts Interest Form

(return to the CWE Front Office by Friday, July 20th)

Student First and Last

Name: _____

Grade for this school year: _____ Teacher for this school year:

STEM Lab day will be on Mondays. STEM Scouts runs the entire school year

STEM Scouts is only successful with adult volunteers as Weekly Helpers. If you agree to help weekly, your child is guaranteed a spot in the lab you have selected. Are you available and willing to be a Weekly Helper?

- Yes, I agree to be a Weekly Helper, and can commit for the school year
- Yes, I agree to be a Weekly Helper for the following dates _____
- No, I am not available to be a Weekly Helper

Thank you for expressing an interest in being in STEM Scouts. You will be notified the week of July 23-27 on your child's status with this program. Please contact Pam Maguire with questions. **We hope your child can be a part of CWE's STEM Scouts!**
